Audition fee: \$25.00

Mailing address:
cary ballet conservatory
Attention: summer intensive
3791 NW Cary Parkway
Cary, NC 27513

For your reference, we have supplied standard information for making a ballet audition video, below. However, we don't wish to cause any unnecessary expense for you or burden for your teacher. For acceptance, we consider the level/potential of the dancer, not the formality or video quality. So, please record what is easiest for you and your teacher, even footage from one of your ballet classes.

The videotape audition should begin with the student facing the camera, introducing her/himself, and providing the following basic information: age, years of ballet training, current studio, instructor's and previous summer program attendance. Attire should be black leotard/pink tights for girls and black tights/white t-shirt for boys. Please include in the video the following requirements at the barre and center:

- Slow tendu side (FACING the barre)
- Rond de jambe par terre en l'air
- Fondu front, side, back
- Frappe front, side, back
- Grand battement front, side, back
- Slow adagio (to show extension)
- Pirouette combination (on pointe if applicable)
- Small jumps
- Big jumps (student's choice)

Please be sure to include the CBC Summer Intensive Application (Downloadable at www.caryballetconservatory.com) and the \$25 audition fee.
